My darling Frank, may God direct this
brief note to you safely. No news of you
since last letter (posted February 2nd). All
are safe and well at Beechwood and
Spring Villa. Your beautiful souvenirs,
candlesticks and cheque reached me
safely. Have purchased a beautiful
3 stone diamond ring and am wearing
it constantly. Thank you darling for
everything. My love for you is
increasing with every moment we are
parted - No matter how long the wait
may be I shall be watching, waiting
and praying for you.

God bless you, darling,

All my love,

Eileen.
